

Deltran Battery Tender 5 and 10-Bank Warranty Policy

3-Year Limited Warranty

*Year 1

\$0.00 if product failure is due to manufacturing defect

Years 2-3

\$50.00 diagnostic bench fee

10 Bank owners with damaged connector sockets will be advised to purchase a protective bracket for \$15.00 in addition to the \$50.00 bench fee. The white snap connectors should never be removed from the 5 or 10 Bank chargers. Continued removal of the white connectors can cause damage to the circuit board and the loss of multiple charging stations.

The cost of transporting products to Deltran for warranty service is the responsibility of the purchaser

*This limited warranty is VOID under the following conditions:

- 1) The product is deemed by Deltran to have been misused, subjected to careless handling, or operated under conditions of extreme temperature, shock or vibration beyond Deltran's recommendations for safe and effective use.
- 2) The product is disassembled or repaired by anyone who is not a Deltran factory authorized service representative.
- 3) The electrical connection to the AC input of the charger is modified without the express written consent of the Deltran engineering department.

Product misuse, damage or modification is determined solely by Deltran.

For warranty service return product to the address below with your contact information. A Deltran customer service representative will contact you with warranty fees once the charger has been evaluated.
